I'm an aspiring UIUX Designer from Pune, India. I try to practice design principles and try to apply it to enhance user experience. I have also worked as a Freelance UI and Graphic designer while pursuing my graduation. In current organization I'm working as a UIUX designer and a Front End Developer. I enjoy designing interactive user interfaces and present them visually. I always try to design pixel perfect user interfaces to add richness and engagement for the users.

WORK EXPERIENCE

OmnePresent Technologies, Pune

August 2018 - Present / UIUX Designer

- Gathering user requirement in collaboration with Business / Product Team
- Presenting UX works and Wireframes to Stakeholders for review and feedback
- Designing the Pixel perfect User Interfaces based on low fidelity wireframes
- Working closely with Developers teams to deliver required assets to implement the designs
- Redesigning the existing Interfaces to add more brand value and aesthetic properties
- Graphic designing like poster, banner, logo designing

EDUCATION

Computer Engineering (B.E.)

2014 – 2018

Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology, Baramati.
